Current Expense of Education per ADA (Per Education Code Section 41372) Eureka City Elementary/High, 1994-95				
By law, the "current expense of education" must be calculated annually for every district; it is a measure of the cost of direct educational services to students. This figure is then matched with average daily attendance(ADA) for the district to arrive at an expenditure per pupil figure. Since the Current Expense figure excludes food services, facilities acquisition and construction, and certain other expenditures, the current expense per ADA amount is lower than the total expenditure per ADA shown in the table above.	Eureka City Elementary/High			Statewide Avg All Unified Districts
	Total Dollars	Average Daily Attendance	\$ / Student (ADA)	\$ / Student (ADA)
	\$24,965,010	5,870	\$4,253	\$4,206
