Welcome!**

President's Corner...

LCKC had their annual information booth at Woofstock last month. Thank you to Chris for bringing her table, and to Rose for set up and take down, and to Cathy and Tina who stayed all day to help out. Lots of folks stopped by and enjoyed looking at our breed chart and the book of breeds.

The Farm Store Pet Fair is coming up on Saturday, September 25th. Anyone wishing to help out at the LCKC booth is welcome. More details will be available at the September meeting.

We spent some time at the last meeting recapping the last breed/obedience show and talking about ideas for future shows. We will need to talk about a couple subjects a month as the meetings are not long enough to discuss all the topics at one time. Please continue to bring ideas to the meetings.

I would like to ask all of us to begin thinking about the future of our newsletter. Barbara has been doing a great job but will need to pass the newsletter editor job on to someone else in the very near future. Barbara has been producing the newsletter without any special software other than Word, so please don't let your computer skills keep you from volunteering. Please talk with Barbara or myself if you have any interest or questions regarding the newsletter publication. And a big thank you to Barbara for close to five years of producing an outstanding newsletter.

See you all at the upcoming meeting at the Adorni Center.

WANTED !

NEWSLETTER EDITOR

No experience necessary

WE NEED YOU !

Effective January, I will no longer be doing the LCKC newsletter. While it has been a gratifying, and even fun, experience for me, after nearly 5 years, it is time for a change and to hand over the opportunity to someone else.

No special software program is required. I have used Microsoft Word only.

Please let Jill or me know if you think you might be interested.
