FEBRUARY 2006

President's Corner...

Greetings LCKC members!

Another new year, and a new beginning to the LCKC newsletter. Barb Stelz has volunteered to be editor. Thanks Barb! She welcomes/encourages submissions. If you have articles to be reprinted (be sure to get permission from the original source) or that you would like to write, send the information to Barb. Quotes, articles, website information - anything you think the general membership would be interested in.

I would also like to take this time to thank all of you who have contributed to make our club such a successful volunteer group! I look forward to working with the officers, board, and active volunteers for another year. AND we are always looking for new volunteers!! Any and all help will be appreciated.

As usual our big events of the year are the Breed/Obedience Shows and Agility Trials in July. The Breed/Obedience premium is almost finished. Most of our show committees consist of one person, so additional volunteers would be greatly appreciated. There is still time to volunteer to help. No special talents required, just a willing attitude to do whatever is needed!

We will have raffles at both events. This is another way for members to contribute to the club, especially if you are not going to be able to attend or help at the shows. The raffle proceeds are needed to help offset the expense of putting on the events. Irene is the raffle chairperson and has asked that all members help solicit items. As in the past, there are a few club members who do a lot of the work. I am asking that ALL club members contribute to this cause. It is not too early to start gathering up items. Contact me or Irene for letters of request to present to local merchants.

Another great new thing for the LCKC is that Jim Wasetis has our website up and running. Go to www.lostcoastkennelclub.org, and check it out. Jim keeps adding new items, so check the site regularly. If you have any good ideas or links for the site, let me know.

Let's try to have even more educational and fun opportunities this year!! If anyone has any ideas or suggestions for upcoming events, big or small, let me know.

Hope to see all of you at the February meeting.

Michelle Dostal
