## President's Corner..

As some of you undoubtedly already know, the AKC has denied us permission to hold a three-day conformation/obedience/rally show.

This was a huge blow to us and led to some real soul searching as to whether to continue on with the show.

The final consensus was to hold the show because of the perceived benefit to our community.

We anticipate having another small show, and so it is important to try and get as many entries as possible (Call your friends!) and to have another spectacular raffle (Start acquiring goods to donate now. Note: Power tool-type items for men were very popular!).
