Cherokee Wisdom

Two Wolves

One evening, an old Cherokee told his grandson about a battle that goes on inside people. He said, "My son, the battle is between two 'wolves' inside us all".

One is **Evil**. It is anger, envy, jealousy, sorrow, regret, greed arrogance, self-pity, guilt, resentment, superiority, lies, false pride, superiority, and ego.

The other is **Good**. It is joy, peace, love, hope, serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion, and faith.

The grandson thought about it for a minute and then asked his grandfather: "Which wolf wins?"

The old Cherokee simply replied, "The one you feed."

(Thanks to Beverly Morgan Lewis for submitting the above words of wisdom.

I thought it good food for thought as we begin another new year. - Ed.)
