

2006 Hoopa Hillclimb

July 29th & 30th

Brought to you by

The Redwood Sports Car Club

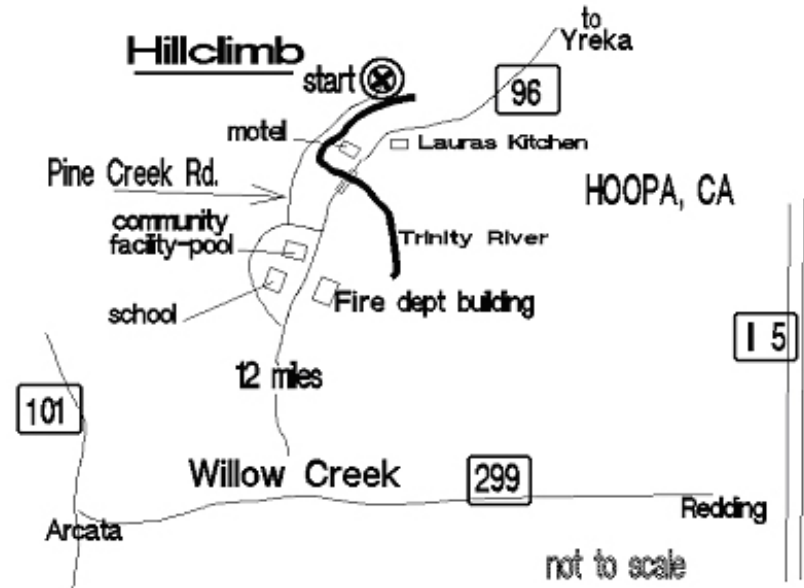

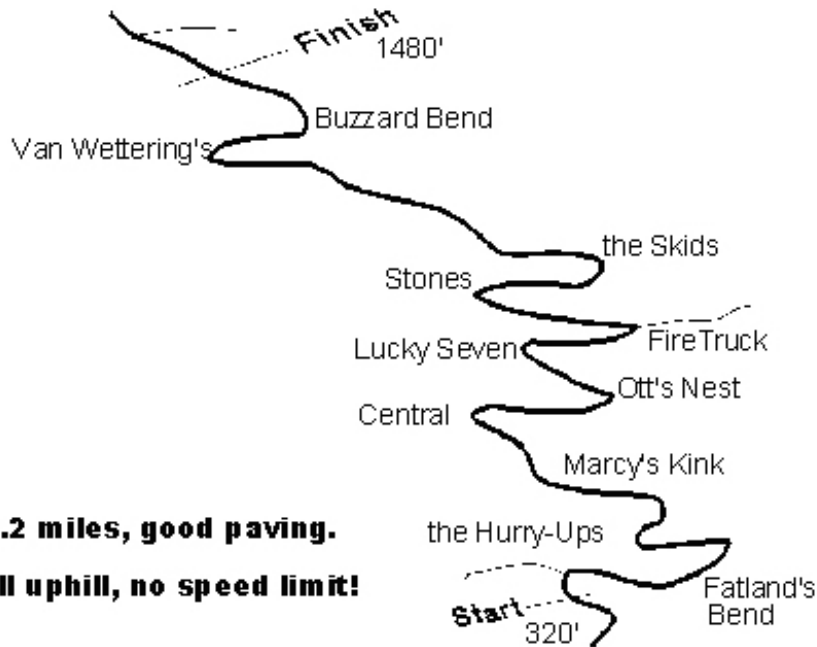

Thanks to

**The Hoopa Valley Indian Reservation
Tribal Council and Residents**

**Redwood Sports Car Club
P.O.Box 478
Eureka, CA 95502**

Welcome to Hoopa 2006!

The Redwood Sports Car Club and the people of the Hoopa Valley Indian Reservation welcome all fellow Hillclimbers to come on July 29 & 30 to enjoy the 20th running of the Hoopa Hillclimb in the beautiful Hoopa Valley.

Hoopa Hillclimb event officials:

Chairwoman:
 Tina Johnson 707-441-1603 ncumanager@sbcglobal.net

Comp. Director & Safety Steward:
 Terry Jones 707-822-5308 tpj1@humboldt.edu
 Mike Hendricks 707-498-1701 mthendricks2@cs.com
 Loren 'Sam' Fischer 707-442-6979 lorensam@cwnet.com

Support and Hill Management:
 RSCC Members, and volunteers

For updates & entry forms visit <http://www.rsccl.net>
 send entry forms to: RSCC, P O Box 478, Eureka, CA 95502

WHERE TO STAY:

Best Western Tsewenaldin Inn - Hoopa 530 625-4294

"Make reservations as soon as possible, we have only 21 rooms. NO PETS ALLOWED!
 Continental breakfast provided. Be sure to mention you are with the Hoopa Hillclimb."

Willow Creek Motel - Willow Creek	530 629-2115
Gambi Hill Motel - Willow Creek	530 629-2701
Bigfoot Motel - Willow Creek	530 629-2142
Riverside RV Park - Orleans (18 miles)	530 627-3239

Chairwoman Tina says: "I don't know about all of you, but the year that I have to wait before I can run this hill again goes by tooo dang slow. I am ready!!! Where else can you legally drive on the wrong side of the road, drive really fast, be with some great people and sweat about 15 pounds off! Can you think of anything better?"

HOOPA SCHEDULE OF EVENTS

Thursday, July 27

6:00pm - 8:00 pm Tech Inspection for Humboldt area cars, at: Leon's Car Care Center, 929 Broadway, Eureka
Please, Humboldt area cars must be teched at this time.

Friday, July 28 (last chance to order lunches for both days)

4:00pm - 8:00pm Tech. Inspection in Hoopa
8:30pm Drivers School to follow Tech. at the Tsewenaldin Inn Motel in Hoopa.

All newcomers to the hill are required to attend.

Saturday, July 29

LIMITED tech time \$5.00 late fee

6:00am Laura's Kitchen opens for breakfast

7:00am RSCC workers meet at the hill. Be on time!

8:00am - 8:30 Late registration and Tech.

8:35am **Mandatory** driver & worker meeting
Timed runs to follow.

(note: Laura's Kitchen delivers bag lunches on both days, but only if you order at tech. Thursday or Friday, or with entry form.)

6:00pm Tri-Tip dinner and Hillclimb Party at the Tsewenaldin Inn Motel. The Hoopa Senior Resource Program makes an awesome dinner for only \$13.00, so don't miss it!

Sunday, July 30

6:00am Laura's Kitchen opens for breakfast

7:30am RSCC workers meet on the hill. Be on time!

8:45am **Mandatory** driver & worker meeting
Timed runs to follow. We should be done early, so go play in the pool until the Awards Presentation which will be held as soon as possible after cleanup at the hill.

AWARDS will be given on the following basis:

1 to 4 cars in a class — 1 award

5 to 8 cars in a class — 2 awards

9 or more cars in a class — 3 awards

CONCESSIONS: There will be snacks & drinks available for sale at the hill. Some meals will be provided by local groups, so please support them if possible. There is a complete BBQ dinner planned for Saturday, at extra cost. **Please support the Saturday dinner, as this group is a strong supporter of us having the Hill in Hoopa.** Updated info and orders for lunch for both days will be taken at tech. on Friday.

RUNS: Two runs per day per driver. All runs are in contention for Hoopa Hill awards and records.

REFUNDS: Refunds will be available only at the Registrar's discretion, and must be submitted in writing by the end of Friday's tech. session.

DRIVERS must wear a helmet, which must be an approved Snell SA or M-2000 or newer. Drivers must wear shoes, long sleeved shirts and long pants, made of cotton or Nomex, while on their runs. Drivers Suits are strongly recommended. (Always buy the best safety equipment that you can afford.)

SAFETY EQUIPMENT: Shoulder harness and/or cross chest harness are mandatory, All open cars must have roll bars that are above the drivers helmet, adequately braced, and be constructed to S.C.C.A. GCR specifications. Integrated roll bars, such as Corvette & Porsche "Targas", etc. are acceptable. The drivers side window must be rolled up, or a window net or arm restraints used. Head restraint as per SCCA GCR Regs. 18.1.2 is required in cars equipped with roll bars. **ROAD RACE CARS:** GCR ROLL BARS are required. Arm restraints strongly recommended in all open-top cars.

FIRE EXTINGUISHERS or fire systems are mandatory in all cars. They must be mounted using a **metal bracket**, be within easy reach of the driver or a safety official, and must be a minimum 5BC rating. They must be professionally tested, and tagged within 1 year of the event.

CAUTION: Hillclimbing is definitely not for beginning drivers. Consequently, the RSCC reserves the right to refuse any participant. The Hill is fun to drive as well as being difficult to master at speed, so caution is most definitely recommended for those who have never seen the Hill. **A MANDATORY Drivers School for first-time Hillclimbers will be held Friday evening** after Tech., - see the schedule for location & time.

NO IMPROMPTU PRACTICE: There will be absolutely NO “practices” on the Hill at anytime. We could lose our hillclimb site for violation. Violations of this rule will result in immediate disqualification with no refund. The hill may be driven in street legal cars, following all traffic laws, prior to 7:00am each day.

TECH: Expect a rigorous, off-trailer session. Any car which goes “off-course” during a run will be expected to be re-teched before it is allowed to run again. **Battery hold-downs** must be either of the stock type, or a solid metal clamping device. Elastic cords are not acceptable. Tires that will be used on the Hill must be at Tech. for inspection. Any alteration made to the car after Tech. must be cleared with the Tech. inspector. No open holes are allowed in the bulkheads between the engine and the driver, or between the fuel tank and the driver.

A MANDATORY drivers meeting will be held each morning. Failure to attend will be considered grounds for disqualification or forfeiture of your first run.

WORKERS: All drivers will work or provide one worker per car driven on the day(s) you participate in this event. We will need corner workers, and you can expect to be called upon to help.

RELEASE WAIVERS: All participants, pit crews, spectators, etc., must sign the insurance release form.

CAR NUMBERS & PITS: These will be assigned on a first come-first served basis, and verified by email or phone call. Other info, rules, etc. will be provided at the event, and will take precedent over any other printed material.

MUFFLERS: Spark arrestor type mufflers are required.

THANK YOU! to our sponsors:

GOLD SPONSORS

SILVER SPONSORS

BRONZE SPONSORS

HONORABLE MENTION

Again this year LAURA’S KITCHEN is willing to make lunches for us. Please mail in your orders with your entry form or turn in at tech. on Thursday or Friday. If you want to feed your hungry crew, this is the simplest way in Hoopa!

Cost is \$7.00 per lunch.
